

**SCHEDULE 90A**

**DISTRIBUTED GENERATION (DG) RIDER**

**Application**

This Rider will be applied in conjunction with currently applicable rates and on accounts that have a Distributed Generation Agreement in place with the Association.

**Billing**

The Association shall bill the member, in addition to the charges related to the applicable rate schedule, an amount determined in accordance with EXHIBIT C of the PURCHASE POWER AGREEMENT to offset and recover administrative, metering and other expenses related to serving interconnected distributed generation.

Administrative fee: \$15.19/Month

Wheeling charge \$0.0132/kWh

For all kWh's moved from the DG facility onto the electric distribution system.

The wheeling charge will be based on the amount of revenue per kWh needed to recover energy related distribution cost as determined in the most recent cost of service study, regardless of the direction the kWh's are moved.

This institution is an equal opportunity provider and employer.
