

## RELEASE AGREEMENT

I, \_\_\_\_\_, relieve Coast Electric Power Association (CEPA), and  
MEMBER-OWNER NAME (PRINT)

CEPA's contractors, of liability from damage to premises and underground facilities as a result of performing requested / required work necessary to install or maintain service. CEPA and the CEPA's contracted vegetation crews **WILL NOT** be responsible for the disposal of large debris, or stumps, resulting from tree removals.

I am also aware that I must locate and expose all underground facilities that are in the proposed work area. Underground facilities include (but are not limited to) septic tanks, drain fields, gas, sewer, water, and any other lines that are installed on your property.

CEPA will not install the service until the panel is up, pipe installed, and the House or Lot # is visible from the street.

I also understand additional service charges may apply if these items are not completed and additional trips are necessary to install service.

Is the property marked with house or lot #? Yes \_\_\_\_\_ No \_\_\_\_\_

Is panel up and ready to receive power? Yes \_\_\_\_\_ No \_\_\_\_\_

Will you have all utilities located and exposed in work spaces? Yes \_\_\_\_\_ No \_\_\_\_\_

I allow CEPA and their contractors to return to my property to perform requested / required work necessary to maintain reliable service? Yes \_\_\_\_\_ No \_\_\_\_\_
