

**SCHEDULE 2 O**  
**SMALL COMMERCIAL**  
(Not to exceed 25 KW in Billing Demand)

**Availability**

Available for commercial, industrial, and three-phase farm service and/or all other uses including lighting, air conditioning, heating, and power, subject to the established rules and regulations.

**Type of Service**

Single-phase, and three-phase where available, at available secondary voltages. Customer shall be responsible for providing protection from single-phasing of three-phase loads. Service under this rate is limited to twenty-five (25) kW demand. If demand exceeds twenty-five (25) kW, the prevailing Rate Schedule 4 shall apply.

**Rate**

Daily Service Charge:

\$1.35

Plus:

8.800 cents per kWh for all kWhs

Plus: A Demand charge of \$1.07 per kW billing requirement

**Minimum Charges**

The minimum charge under the above rate shall be the daily service charge of \$1.35 multiplied by the number of days in the billing cycle plus \$1.07 per kW of billing requirement.

**Determination of billing demand**

The billing demand shall be the maximum kilowatt established by the customer for any fifteen (15) consecutive minutes during the month for which the bill is rendered, as indicated, or recorded by a demand meter, but it shall not be less than 5KW. The Cooperative may, at its option, install a KVA meter or other appropriate meter to determine KVA and base the kW requirement on 90% of the KVA requirement so metered.

**Extension of Facilities**

In cases where it is necessary to extend or reinforce distribution lines, service will be furnished only under the following conditions:

1. The customer shall give satisfactory assurance supported by a written agreement as to the character, amount and duration of the business offered.
2. The customer shall guarantee minimum monthly revenue not less than 1/60<sup>th</sup> of the estimated additional investment required to extend service. This shall include the additional cost of meters, transformers, and any additions to or alternations of lines and equipment necessary to make service available. Minimum charges for service shall be based on the additional investment only when this results in greater charges than those based upon the rate schedule minimum herein before provided.

**Temporary Service**

Temporary service shall be supplied in accordance with the foregoing rate except that the customer shall pay, in addition to the foregoing charges, the total cost of connecting and disconnecting services less the value of materials returned to stock. A deposit, in advance, may be required of the full amount of the estimated bill for service, including the cost of connection and disconnection.
